ABOUT EXCEED ENTERPRISES

Established in 1968, Exceed Enterprises is a non-profit organization that excels in providing vocational, recreational and personal development services for people with diverse abilities.

Exceed serves the Portland and Salem metro area offering a wide spectrum of services to support adults with diverse abilities at every stage in their journey to community integration and employment. We meet clients where they are and get them where they want to be through a variety of personal services, community activities, and diverse employment opportunities.

We work with our community and business partners to support people with diverse abilities and build meaningful employment opportunities to increase independence, self-confidence, and dignity.
